Voting instructions

Shareholder's name: _____

At Eezy Plc's Annual General Meeting of 13 April 2021, the proxy representative shall exercise the voting rights of the shareholder granting the authorisation in the manner set out below (please check the correct box for each item on the agenda).

Unless a shareholder states otherwise, the voting instructions are presumed to concern all the shares that the shareholder holds on the record date of the General Meeting.

If a box has not been checked for a particular item on the agenda or if the voting instructions have not been indicated unambiguously, the voting instructions shall be interpreted as being 'For (Yes)'.

Items 7–17 concern proposals for the Annual General Meeting, which have been set out in the notice convening the Annual General Meeting. 'Abstain' means casting a blank vote, in which case the shares are counted in the shares represented for the item in question. This will affect resolutions requiring a qualified majority (items 16 and 17). Resolutions by a qualified majority take into account all the shares represented at the General Meeting and abstaining has the same effect as voting 'Against (No)'. Therefore, abstaining affects the result of voting. Shareholders need to be aware of this, especially if it is not their intention to vote against the proposal.
